

COMMUNITY WORKSHOP – MAY 14

Pedestrian and Bicycle Access Planning at US 101 / East Blithedale Ave. – Tiburon Blvd. Interchange

Review Potential Pedestrian and Bicycle Enhancements

Join other stakeholders to learn about possible future pedestrian and bicycle improvements at the US 101 / East Blithedale Avenue – Tiburon Boulevard (Route 131) interchange. The Transportation Authority of Marin, Caltrans, County of Marin, City of Mill Valley, Town of Tiburon, Golden Gate Transit and

Marin Transit have been hard at work since the initial January workshop to develop and evaluate potential measures that could be implemented over time to enhance access and circulation to the interchange area's 10 bus stops, walking paths, and bicycle routes.

How you can get involved:

- **Thursday, May 14, 6 to 8 p.m.**

Attend the second community workshop at the Mill Valley Community Center - 180 Camino Alto - to learn more about the project's purpose, feedback gathered from the community on existing issues, and provide input on potential short-term, medium-term, and longer-range options.

- Send comments or questions, or to request email updates, please contact Nick Nguyen, Project Manager, Transportation Authority of Marin.
